

Lets Face It!

Scaffolding Document 1: Important Student Information for accessing LFI! Computer Games

Instructions for use:

1. Enter students' information in the table below using an **consistent format** – no exceptions (the first line has an example)
2. delete this instruction section
3. Print and insert this document in its own section in the class **LFI! Binder** so that it is easy for all staff (teacher, EA, therapists) to access the information when working with their students.

Student name	LFI! Username	Password	Email address used
Last name, First name	Always use school student ID number	Always use format : first name +123 i.e. "John123"	Always use school email (can be accessed easily by teacher so that staff can access it from school to reset password etc. , if necessary)
Spud , Joe	294743	Joe123	294743@sd100.bc.ca
